SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 – Changes to the Monthly Premium

Cost	2017 (this year)	2018 (next year)
Monthly premium	\$0	\$0
(You must also continue to pay your Medicare Part B premium.)		

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more, if you enroll in Medicare prescription drug coverage in the future.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2017 (this year)	2018 (next year)
Maximum out-of-pocket amount	\$6,700	\$6,700
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.		Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated *Provider/Pharmacy Directory* is located on our website at www.MyBlueKCMA.com. You may also call Customer Service for updated provider information or to ask us to mail you a *Provider/Pharmacy Directory*. **Please review the 2018 *Provider/Pharmacy Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan, you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated *Provider/Pharmacy Directory* is located on our website at www.MyBlueKCMA.com. You may also call Customer Service for updated provider information or to ask us to mail you a *Provider/Pharmacy*

Directory. Please review the 2018 Provider/Pharmacy Directory to see which pharmacies are in our network.

Section 1.5 – Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your *2018 Evidence of Coverage*.

Section 1.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
 - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Formulary exception approvals are typically valid for 12 months.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and haven’t received this insert by September 30, 2017 please call Customer Service and ask for the “LIS Rider.” Phone numbers

for Customer Service are in Section 6.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the enclosed *Evidence of Coverage*.)

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap**

Stage or the Catastrophic Coverage Stage. For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in Blue Medicare Advantage Complete

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2018.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR* -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Blue Cross and Blue Shield of Kansas City offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Blue Medicare Advantage Complete.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Blue Medicare Advantage Complete.
- To **change to Original Medicare without a prescription drug plan**, you must either:

- Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
- – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2018.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2018, and don’t like your plan choice, you can switch to Original Medicare between January 1 and February 14, 2018. For more information, see Chapter 10, Section 2.2 of the *Evidence of Coverage*.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Kansas, the SHIP is called Senior Health Insurance Counseling for Kansas (SHICK). In Missouri, the SHIP is called Community Leaders Assisting the Insured of Missouri (CLAIM).

SHICK and CLAIM are independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHICK and CLAIM counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call (SHICK) at 1-785-296-4986 or toll free 1-800-860-5260 (TTY: 711). You can call CLAIM at 1-573-817-8320 or toll free 1-800-390-3330 (TTY: 711). You can learn more about SHICK by visiting their web site www.kdads.ks.gov. You can learn more about CLAIM by visiting their web site www.missouriclaim.org.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Missouri has a program called Missouri Rx Plan that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 4).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the The Kansas Ryan White Part B Program in Kansas and Missouri Department of Health and Senior Services in Missouri.
